

## Early Release Teacher In-Service Days

There will be no TEAM on these shortened days

Remind your seniors who have early release on a regular basis that their schedule goes by the block not by time. They should plan with work, rides, etc to be in attendance for all of their scheduled blocks on these special days.

### **Early Release Day---Release early at 11:00**

Warning bell	7:50	
Late bell	7:55	
Block 1	7:55 to 8:39	44 min
Block 2	8:43 to 9:26	43 min
Block 3,4,5	9:30 to 10:13	43 min
Block 6	10:17 to 11:00	43 min

**No lunch will be served on Early Release days during lunch blocks but bag lunches will be available for those students that wish to order by Tuesday.**

**All study halls block 3 and 5** will meet in the commons together with all block 3 and 5 study hall teachers covering the entire group and taking attendance of their own study hall students. This is because many study halls meet in rooms where classes also meet blocks 3, 4 or 5 and many students do not meet in the same room for study hall block 3 and 5 so to try to be less confusing, all block 3 and 5 study halls will meet in the commons for the 43 minutes and all study hall teachers will be there to help cover.

**Lunch duty teachers** have a free block (3 or 4 or 5) **Thank you for covering these very unpopular duties.** You have a free 43 minutes! Yeh! If you have a study hall block 3 or 5 please get a list of your students to one of the other block 3 or 5 study hall teachers so they may take attendance for you.

**Students with a lab and study combo** during blocks 3 and 5 should attend the ir lab during the Block 3, 4, 5 on these days.

**Students with labs and other classes combined during** block 3, 4, 5 should discuss with the teachers involved as to their preferred attendance on these days.
